

Govt. Homoeopathic Medical College and hospital, Kathua Department of Physiology & Biochemistry

INTERNATIONAL DAY AGAINST DRUG ABUSE AND ILLICIT TRAFFICKING 26TH JUNE 2026

International day against drug abuse and illicit trafficking 2026 was observed by the department of physiology and biochemistry GHMC KATHUA under the directions and guidance of Principal Prof Dr Surinder Kumar Atri at GMC Kathua in which the faculty, Nodal officer GHMC Kathua, administrative officer GMC Kathua and students of the college participated. A thorough presentation regarding the theme of the day "**Foresight and innovation in action: Forging solution of world drug problem**" was given by Dr Javeed Iqbal Dar Associate professor and HOD department of physiology and biochemistry GHMC Kathua with special focus on different types of drugs, their impact on an individual and as whole on society with regard to health, economy and social behaviour. The role of parents, teachers and society in curbing remains unparalleled along with other measures initiated and executed at Government level in curbing this menace. The stress was laid on responsibility as in individual to be played in whatsoever capacity one is able, to make sure society is drug free. The Government is already running a hundred-day campaign against the drug addiction and trafficking in which some solid measures have been taken to make sure the end of this drug menace.

The seminar started with the slogan that "**IT IS EASIER TO STAY OFF DRUGS THAN TO GET OFF DRUGS**"
